BA-110JM SERIES

These new additions to the popular BA-110 Series are done in semi-transparent colors that are so popular on the beach scene, and a mixed color molding process produces a gradation pattern in the case and band. Available colors are semi-transparent blue in the clear image of the summer sea, semi-transparent oranges in the image of a coastal sunset, and semi-transparent black in the subdued image of the evening sea.

The bands of these models are also made of semi-transparent resin for uniformity of the design.

These distinctive models are great with both marine fashions and sports fashions.
