# G-SQUAD

Stay active! Be tough, be cool with BABY-G.

G-SQUAD

BSA-B100-1A

BSA-B100-2A

BSA-B100-4A1

BSA-B100-4A2

BSA-B100-7A

BSA-B100: Shock resistant, 100m water resistance, Smartphone link functions, Steptracker, Step reminder, 1/100-second stopwatch (Memory capacity: up to 200 records), Countdown timer (Timer for interval measurement), 5 daily alarms, Auto double LED light (Super Illuminator)

## G-SQUAD “Pink Gold Face”

BSA-B100MF-1A

BSA-B100MF-7A

**BSA-B100MF:** Shock resistant, 100m water resistance, Smartphone link functions, Steptracker, Step reminder, 1/100-second stopwatch (Memory capacity: up to 200 records), Countdown timer (Timer for interval measurement), 5 daily alarms, Auto double LED light (Super Illuminator)

### SMARTPHONE LINK

Data measured by your watch is forwarded to your smartphone to be easily managed in various exercise records on your App.

#### For Daily Exercise Management

##### Pedometer and calorie consumption

Your number of steps and calorie consumption is displayed for each day on the top page. You can easily see your achievement rate on a circular graph and your amount of activity depending on different times of the day.

#### Sharing on SNS

##### Share card

You can share your daily accomplishments (step count, map) on SNSs with a picture card.

#### For working out

##### Stopwatch record management

Displays a list of your lap times measured by your watch, down to the 1/100th second. You can see not only your best, worst, and average times, but also the difference between your preset goal time.

##### Work out menu preparation

You can create an interval training menu on the App (maximum 5 by 20 sets). By transferring the menu to your watch, you can check the elapsed and remaining time right on your wrist.

**Forge-drawn parts**  
Thick forge-drawn metal material is pressed under high pressure to form a heavy but refined bezel. Mirror finishing and hair-line finishing are applied to selected areas of the surface.

**Super Illuminator**  
A high-brightness LED brilliantly illuminates the dial.

**Tough Solar**  
CASIO's original solar-charging system converts not only sunlight but also light from fluorescent lamps and other sources into power.

# G-MS

Live strong, live beautifully.  
A watch for active-independent women.
