# G-MS

## BABY-G

**Keep Yourself Timeless.**

Let your creativity glow every moment.  
Have your passion alive and light it up all the time.  
For the independent who value their lifestyle,  
G-MS, refined style and tough inside,  
will make your moment bright.

## DESIGN

G-MS with refined and stylish design adds a touch of practical to your daily look.

### Luxurious metal finishing

The forged stainless-steel bezel with mirror finishing and hairline finishing.

### 3D face and index

Beautifully designed with three-dimensional sharp index and dial covered with pyramid cut.

### Metal composite design

A metal bezel is combined with lightweight resin case and band.

## TECHNOLOGY

Featuring G-SHOCK's toughness, G-MS is highly durable and comfortable to wear. The essential functions of G-MS are perfect fit for both work and for leisure.

### Shock-resistant

Structured to absorb and repel strong shocks such as dropping it accidentally or hitting it on something.

### 100m water resistance

Protect the watch from a sudden weather change or work that might get the watch wet.

### Solar-powered\*1

Solar charging system converts not only sunlight, but even from weak light sources such as fluorescent lamps, into power.

### High-brightness LED light\*2

Ensures visibility in the dark.

\*1 : MSG-S500/S200 Series only. \*2 : MSG-S200/C100 Series only.

Introducing

## MSG-S500 SERIES

---

New MSG-S500 Series is created as a modern attractive watch that combined with the flat and sharp bezel, the pyramid cut of the hour markers, and the octagon shape of the crown.
